If the body style was produced from the late 70's INTO the 80's

OR

If the body style began production in the 80's (and continued to the 90's)

Back To The 80's 2026 will take place on June 6th @ Blacksmith Lounge in Hugo MN from 10am to 3pm. Please note that due to the nature of the printing industry with regards to signs/banners/T-Shirts and trophies, the cutoff date for all rewards will be May 1st so that our printers can work. Sponsorships after this date will still be welcome, however logos may not be included as described above. Sponsorship donations are non-refundable. The money raised will be used toward the purchase of the event awards, banner printing and the various costs incurred with running a larger car show. **This will be a rain or shine event.**

We are committed to the event date, event location and event participants.
